

Best Medicine Scientists in Russia

The 3rd edition of Research.com ranking of the best researchers in the field of Medicine was created using data combined from multiple data sources including OpenAlex and CrossRef. The bibliometric data for evaluating the citation-based metrics were acquired on 21-11-2023. Position in the ranking is based on a scholar's D-index (Discipline H-index), which only includes publications and citation metrics for an examined discipline.
